Sponsorship Information

The Montgomery Community College Foundation invites you to join us for our **1st Annual Sporting Clay Tournament**. The tournament will be held on Thursday, October 25, 2018 at DeWitt's Outdoor Sports, LLC.

DeWitt's Sporting Clay Course is one of the most exciting and challenging courses you will find. It is over a mile long and winds around beautiful woodland areas, fields, a farm pond and loops back to the club house.

The course consists of 14 shooting stations with two shooting boxes at each station. Each station has two state-of-the-art, completely automated traps that will release targets at the push of a button.

Proceeds from this year's tournament will particularly support the Gunsmithing Program including their participation at the annual SHOT Show.

Come and join us for a great day and support a great cause!

Entry Fees includes: Lunch before shoot, goody bag, 14 stations of clay shoot and 1 flurry shoot.

October 25, 2018
